

COME GET YOUR (HEALTH FAIR) LABS AT BOYD HEALTHCARE SERVICES

During the **entire** month of **April**,
Boyd will be offering the following labs at discounted prices.

Cardiac Risk Profile (FASTING) Includes cholesterol, triglycerides, blood sugar	\$20.00	Hemogram (anemia & infection)	\$15.00
A1C (blood sugar—3 month average)	\$20.00	TSH (Thyroid)	\$15.00
Prostate Cancer Screening (PSA)	\$15.00	Colon Cancer (take home kit)	\$10.00
Liver Profile (liver damage/disease)	\$15.00	BMP (basic metabolic profile)	\$15.00

Labs may be drawn at Thomas H. Boyd Memorial Hospital, Boyd Fillager Clinic or Rural Health Center of Roodhouse any day during the month of April. To have labs drawn at one of the outlying Rural Health Clinics, (you must be a patient), please call to schedule an appointment. Allow up to 10 days from the draw date for results.

Lab results are not sent to your provider and are not billed to your insurance.
Patients are responsible for picking up the results at Thomas H. Boyd Memorial Hospital.

Payment Due at the Time of Service—No Refunds—No Exceptions.
