

# A Patient's Guide: Self-Registration in MyCareCorner

The MyCareCorner patient portal provides patients with access to their electronic health record. You, as the patient, can self-register for the MyCareCorner patient portal by going to [MyCareCorner.net](https://MyCareCorner.net) and creating an account. Once you have an account, you will need an invitation code (as seen in Step 8 in the Self-Registration section) to access your health record and those of your family members. Contact your healthcare provider (hospital or clinic) to request a registration invitation for MyCareCorner.

## Self-Registration

1. To self-register, enter [MyCareCorner.net](https://MyCareCorner.net) into your browser window.
2. The Welcome page is displayed. In the **New User** section, click **Sign Up**.

3. The Create Account screen is displayed.

4. Enter your First Name, Last Name, Sex, and Date of Birth.

5. Enter the Email and Password that will be used to manage this account. Then, enter the characters you see in the CAPTCHA field.
