CONGRATULATIONS PALS!

A hefty pat on the back goes to Ashley Ballard, Jodi Crowe, Laura Gendron, Sherri Hill, and Jenia Kincaide on passing their Pediatric Advanced Life Support certification/training in December; great job, ladies!

CONGRATULATIONS ITLS GRADS!

On December 3 we had several EMS staff pass the International Trauma Life Support training; a pat on the back goes to: Josh Martin, James Crafton, Jeff Cunningham, Marc Clark, and Matt Tennill!

CEO CORNER

Let's start the New Year out right!

The past year we have been fortunate to be able to hire Dr. Fry and Rosemary Staten in the White Hall and Roodhouse Clinics. We have added Dr. Imran and Dr. Schulz in our ER. Judy Brannan has completed six successful months as the Chief Nurse Executive. We have several new faces in our facility. We have finished a full year of Meaningful Use 1 and have now started on Meaningful Use 2. It has been a lot of work and I want to thank the staff for us meeting the first stage. We want to wish Sherryl Shannon a Happy Retirement. (I will be sending out information for her retirement party.) We did lose two valuable assets to Boyd: Bill Reagor and Martha Hubbard.

Boyd's Heartstrings loves our employees! It has been open for over a year and the employees support it very well. Cardiac Rehab is finished and the information has been sent out to area Cardiologists about the program. Just waiting for our First Patient.

We need to watch the overtime, our numbers are down for the first four months of this fiscal year. If we don't need to replace or cover for someone that is off, don't call them in or replace them.

We have made some changes in the Registration area, but this really only affects 2 hours on Sat. and 2 hours on Sunday. We need the EMS staff and Nursing Staff to cover registration as we have pulled some of the Business Office staff to do follow up. We need to continue to do our job, get the bills sent out, and collect in a timely fashion.

We all have down time at times. But it is my concern when I see postings on Facebook or Tri County Trading that occurs on company time. I realize that most people have smart phones and this is available at all times; if you are doing this on your lunch break or break time that is one thing but...

I have several wishes for this next year. I want every department to concentrate on what is going on in *YOUR* department and make it stronger. We have a number of employees who have health issues at this time and hope this next year is better for them. Let's come together as employees to make Boyd the best work place ever.
